DETAILED ACTION

Claim Rejections - 35 USC § 103

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

2. Claim 1-6 and 9 are rejected under 35 U.S.C. 103(a) as being unpatentable over Wehrly et al. (4,945,954), hereinafter Wehrly, in view of Falstrom (1,801,490).

Wehrly teaches a punch apparatus comprising a punch 12, a die 16 and fitting jigs 22. See Figs. 1-10. Wehrly teaches fitting jigs in cylindrical shape. Falstrom teaches fitting jigs 6 in block shape. See Fig. 4. It would have been obvious to one skilled in the art to replace Wehrly's fitting jigs with Falstrom's fitting jigs since it is easier to manufacture the jigs in block form and the recess areas in the die and the punch in the form of planar surfaces to accommodate the jigs.

As the jig is in form of a block, three surface of jig contacts with the die and the punch in the following manner: the top surface of the jig contacts with the top surface of the punch's recess; the bottom surface of the jig contacts with the bottom surface of the die's recess; and two sides of the jig contact with two sides of the punch's recess and the die's recess.

Allowable Subject Matter

3. Claims 10 and 11 are allowed.

Response to Arguments

4. Applicant's arguments with respect to claims 1-6 and 9 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
